Birla Hospital, Satna), which is run under the aegis of M.P.Birla Institute of Fundamental Research.	Satna Madhya Pradesh	The Company had received a request letter from M.P. Birla Institute of Fundamental Research (a Society registered under the West Bengal Societies Registration Act, 1961) for financial assistance by way of Contribution for part financing of first MRI Machine for upgrading the Imaging Department of M.P Birla Hospital, Satna (MRI Machine will be owned and operated by M.P. Birla Hospital, Satna), which is run under the aegis of M.P.Birla Institute of Fundamental Research.
2	Promoting health care including preventive health facilities.	Contribution to M.P Birla Hospital, Satna (run under the aegis of M.P. Birla Institute of Fundamental Research)	Satna Madhya Pradesh	Contribution for funding a part of operational cost of M.P Birla Hospital, Satna, which is providing healthcare services to a large section of population in Rewa & Satna district especially belonging to socially and economically weaker and backward section of the society. The said section of people living in Rewa and Satna district shall be provided with necessary medical facilities and services so as to keep these people free from diseases and keep them healthy to carry out their day to day activities and to earn their own livelihood.
3	Promoting education including special education and employment enhancing vocational skills especially among children, women, elderly and the differently abled and livelihood enhancement projects.	Contribution to M.P Birla Foundation Industrial Training Centre	Rewa, Madhya Pradesh	Contribution to M.P Birla Foundation Industrial Training Centre (MPBF ITC), Rewa for meeting a part of operating expenses and availability of timely cash flow with the said ITC for undertaking expansion/requisite infrastructure creation besides strengthening and enhancement of faculties. The said contribution will act as an aid for smooth operation of activities of MPBF ITC, Rewa. With the help of this contribution, students/trainees of MPBF ITC, Rewa, undergoing vocational studies and training interalia will be benefited in the following ways: (a) Better and advance quality of Education and Training shall be provided to students/trainees at very concessional fees; (b) Availing of employment opportunities in industries under different Sectors in the respective trades; (c) To enable the students/trainees to engage themselves under different self employment scheme/project and/or to start their own entrepreneurship and (d) more and more students will be attracted to join the MPBF ITC for their better future.
4	Promoting health care including preventive health care and sanitation and making available safe drinking water.	Safe Drinking Water RO system installed in Udyog Vihar Industrial Area	Rewa, Madhya Pradesh	Providing of Safe Drinking Water with the installation of RO system in the water tank installed at Udyog Vihar Industrial Area, Rewa for villagers and people living in and around the surrounding areas to prevent them from any kind of water borne diseases and to keep them safe and healthy.
5	Ensuring Environmental Sustainability, Ecological Balance, Protection of Flora and Fauna, Conservation of natural resources and maintaining quality of Soil, Air and Water.	Development and Construction of concrete wall adjoining to the storm water canal which is flowing at Udyog Vihar Industrial Area	Rewa, Madhya Pradesh	Construction of Stone Masonry and Concrete Wall adjoining to storm water canal which is flowing at Udyog Vihar Industrial Area, Rewa (M.P.), where factory of the company is situated, will mitigate the risks of flood and inundation of water in the Udyog Vihar Industrial Area, Rewa and surrounding villages/localities. With the help of this construction villagers and people living in around the surrounding areas of Udyog Vihar Industrial Area, Rewa will be greatly benefitted.

6	Promoting health care including preventive health care and sanitation.	Construction of toilets at various places at Rewa	Rewa, Madhya Pradesh	The Company had received request from various public service departments at Rewa (M.P.) i.e. I.G. Office, Rewa Chorhata Thana, Rewa, Labour Welfare Office, Rewa and Labour Office, Rewa, for construction of total no. of 6 (Gents & Ladies) toilets in these public service departments at Rewa (M.P.).
7	Ensuring Environmental Sustainability, Ecological Balance, Protection of Flora and Fauna, Conservation of natural resources and maintaining quality of Soil, Air and Water.	Operation and maintenance services of a Fire Tender being operated by Industrial Area Industries Association	Rewa, Madhya Pradesh	Providing of operation and maintenance services of a Fire Tender being operated at Udyog Vihar Industrial Area, Rewa (M.P.) and its surrounding areas. Fire Tender services is a basic need to maintain a well equipped Fire Service to provide fire and rescue services in times of emergency to the surrounding areas of Udyog Vihar Industrial Area, Rewa which has about 55 industries and where the factory of the Company is situated.
8	Promoting health care including preventive health care and sanitation facilities.	Operation and Maintenance Services of an Automated Scavenging Machine and Truck	Rewa, Madhya Pradesh	Providing of operation and maintenance services to an Automated Scavenging Machine and Truck equipped with necessary facilities of going to be operated at Rewa (MP). With the help of this by providing necessary services/facilities, i.e. cleaning of sewage and other effluents from manholes, drains, safety tanks, etc., the General Public at large in the surrounding areas where the M.P. Birla Foundation Industrial Training Centre (MPBF ITC), Rewa (M.P.) and the factory of the Company are situated will get benefitted and also ties with the local communities will be maintained and strengthened.
9	Promoting health care including preventive health care facilities.
